GREENFIELD TEAM TO PLAY SATURDAY

College and Town Players to Go Against
Strong Brattleboro Team at Island
Park at 3 O'clock.

Hal March is to stage another baseball game with an out-of-town team and this time has selected the fast Greenfield Independents for opponents and named Saturday afternoon at Island park at 3 o'clock as the time and place. The local team will be the strongest that can be gathered and the visiting team is promised to be an aggregation that will make trouble from start to finish.

The Greenfield team is composed of college and town players who know the game and who have been playing together all season.

HINSDALE, N. H.

Autos Crash Near Winchester Crossing.

Henry English and family miraculously escaped serious injury about 7:30 o'clock Sunday evening near the railroad crossing in Winchester when their automobile was badly damaged in a collision with an approaching automobile from the garage of H. F. Nichols & Sons of Peterboro and driven by Earl Bagley of that town. Mr. English is a very careful driver and when he saw the automobile coming down the hill he turned so far to the right that he was almost two feet off the road.

With hardly any warning the Peterboro machine swerved and crashed into the front wheel of Mr. English's car.

The occupants of the car, who in addition to Mr. English, were Mrs. English, Miss Margaret English and Miss Elizabeth Redding, were thrown from their seats, but not from the automobile, and Miss English was bruised about the chest and Mrs. English was injured about the abdomen.

Mr. Bagley who was alone in his car, was uninjured and the car was considerably less damaged than was Mr. English's car. He could give no excuse for his mistake, but probably became confused in some manner.

Seventy-seven cars in procession.

The farmers' associations of Sullivan and Cheshire counties passed through this town in automobiles Friday on their tour of inspection of dairy farms and crops in the Connecticut valley, and owing to the presence of Governor Spaulding in the party their route here was profusely decorated with flags. Seventy-seven automobiles were needed to convey the members.

American Motor League "Caution Sign"

Be careful what kind of gasoline the next dealer sells you.

Some service stations are trying to get rid of inferior gasoline by the use of misleading names, which make the motorist think he is getting gasoline made by this Company.

The Standard Oil Company of New York produces only one gasoline for motor cars. It is called SOCONY Motor gasoline.

Ask for it by name—SOCONY Gasoline. It insures most mileage and least carbon trouble.

Sold by reliable dealers wherever you see the RED, WHITE and BLUE SOCONY sign.

Rashes, Chafing

And Skin Irritations Yield to

Here is Proof and Nurse's Letter:

"After everything else fails," says Catherine I. Young, a Trained Nurse of Hawthorne, Mass., "I find Sykes Comfort Powder heals and soothes rashes, chafing and skin soreness."

This is because it is a highly medicated preparation which combines healing, soothing and antiseptic qualities unequalled to heal skin irritation and soreness of infants, children and sick people.
